

KEYSS 2017

Kings Early Year Screening for School

SCREENING CLINIC FOR 3 YEAR OLDS:

- ✓ Any 3 or 4 year old living in Kings County can be registered to attend a KEYSS clinic.
- ✓ Children born in 2014 are encouraged to attend.
- ✓ We offer you valuable information on child development, preschool behaviors and school readiness skills.
- ✓ We assess your child's development, hearing, speech and vision.
- ✓ We help you learn about healthy living, physical activity and child safety.
- ✓ We provide information about programs and services in Kings County that may be useful for your family.

Parents can register by calling:
(902) 678-6111

or

Register online at:
www.valleychilddevelopment.ca
